Description

As you enter the property, you're greeted by a bright and welcoming hallway that forms the central spine of the home, connecting all the main living spaces. To your left, a door opens into a large and airy reception room, an impressive space that stretches the full depth of the house. This room is filled with natural light and offers a perfect setting for both family gatherings and cosy evenings. There's ample room for a full-sized lounge suite and a separate dining area, with doors opening out to the rear garden, seamlessly blending indoor and outdoor living. Back through the hallway, the kitchen is located at the rear of the property. Stylishly fitted and well-proportioned, the kitchen features modern cabinetry, integrated appliances, and plenty of worktop space. It's a practical and sociable area, ideal for preparing meals and entertaining guests with further access to the side of the home and the garden. The ground floor is also home to two generous double bedrooms. The second bedroom, overlooking the front garden, features a charming bay window and has a calm, relaxing feel. The third bedroom is also a comfortable double, also positioned toward the front, making it ideal for guests, children, or use as a home office. A modern, fully tiled bathroom with a shower, WC, and wash basin completes the ground floor accommodation. A staircase leads you up to the first floor where you'll find the principal bedroom — an exceptional loft conversion that offers a sense of retreat and privacy. This expansive space comfortably accommodates a king-size bed with room to spare for a dressing area or reading nook. Cleverly designed eaves storage on all sides ensures practicality without compromising on aesthetics.

Outside

Outside, the rear garden is a private and peaceful haven, perfect for outdoor dining, gardening, or simply relaxing in the fresh air. At the rear of the garden is a separate outbuilding currently set up as a workshop. This versatile space could easily be transformed into a home office, studio, or gym depending on your needs. The front of the property offers a small garden, enhancing curb appeal.
