A Cleverly Designed Five Bedroomed
Detached Family Residence...

Sladebrook House

Welcome to Sladebrook House

Sladebrook House is positioned at the end of a private, quiet cul-de-sac and is a cleverly designed stone-built home that was constructed in 2019 with a high-quality finish. This outstanding five bedroomed residence enjoys stunning, far reaching panoramic views to the rear, which stretch across open countryside.

The highly impressive feature of the home is the exceptionally spacious open plan living kitchen with a high, vaulted ceiling and full-height glazing to the gable end that provides a wonderful vantage point of the views. The immediate area of the space is the hand-crafted breakfast kitchen that incorporates quartz work surfaces and a large central island with seating for multiple chairs. There is also a sizeable living area and a fabulous dining area, both of which connect through bi-folding doors to the rear garden. Just off the living kitchen is a staircase leading to a versatile playroom.

There is under floor heating across the entirety of the ground floor and there are also two additional reception rooms that offer generously proportioned spaces for everyday family living. On the first and second floors, there is a sumptuous master bedroom with an en-suite bathroom, whilst the four other bedrooms are all doubles and two of them are serviced by a Jack-and-Jill en-suite. Also on the second floor is a family bathroom, making this particular floor ideal for guests or teenagers.

The enviable plot in which Sladebrook House stands contains a gravelled driveway to the front of the house with parking for several vehicles, plus an integral double garage. To the rear of the home, there is a landscaped, enclosed garden that stretches the width of the plot and comprises various seating areas and lawns. The garden is situated in an elevated position above open countryside, allowing a wonderful backdrop to the garden and home.

Sladebrook House is located in the charming village of Laughton-en-le-Morthen where there is a good selection of schooling. From the cul-de-sac, access can be gained to a public footpath that runs through the surrounding countryside and links with the historic site of Roche Abbey. Within a short drive there are additional amenities in Brookhouse, which include a public house, farm shop and Brookhouse Cricket Club. In addition, there is a secondary school located at Dinnington where you can also find restaurants, cafes and supermarkets. The property is also conveniently located for access to the M1 and M18 motorways, providing links to Leeds, Nottingham, London and the North East.
