

Holmefield
Common Lane, Thurcroft

*Image for Illustration Purposes Only

Situated within a Plot of
Approximately 9 Acres...

Exterior and Gardens

From Common Lane, a sliding electric gate with remote operation opens to the front of the property where there is a large driveway with exterior lighting and providing parking for several vehicles. A flagged area provides access to the main entrance door. From the driveway, a pedestrian gate opens to an enclosed area which houses the Kingspan Klargester sewage treatment plant. Another pedestrian gate opens to another enclosed area that houses the oil tank. Access can be gained to both sides of the property.

To the left side of the property, there is an additional parking area with exterior lighting, a water tap and having the provision for an electric car charging point. A pedestrian gate opens to the rear of the property.

A Contemporary Three Bedroomed
Residence in a Semi-Rural Location

Entrance Hall

A welcoming entrance hall with recessed lighting, central heating radiator and timber effect flooring. To one wall, there is a range of fitted furniture, incorporating shelving, cloaks hanging, a fitted bench and a concealed door within a shelving unit that opens to the lounge. Oak doors open to the WC, boiler cupboard and an inner hallway. An oak door with a glazed panel and a matching side panel also opens to the living kitchen.

Holmefield

Welcome to Holmefield

Presenting a unique opportunity for a variety of purchasers and positioned within approximately 9 acres is Holmefield. Encompassed within the expansive plot is a contemporary three bedroomed detached residence and two detached outbuildings that could be useful for collectors storage, e-commerce or sole traders requiring space.

Externally, Holmefield offers space in abundance. Sat back from Common Lane behind electric operated gates, the property has an extensive driveway for parking several vehicles. The gardens are positioned to one side of the house where there is a sizeable seating terrace with a lawn, and to the rear, a further terrace, a large lawned garden and an Arctic Cabin. Within the gardens are two detached outbuildings that could be utilised for a variety of uses and contain a multiple-car garage, a gymnasium and an additional garage. Located to each side of the house and its gardens are two fields, one of which leads into a third field, making this property a potential opportunity for those with equestrian interests. There is also vehicular access from Common Lane into one of the fields and electric gates lead to the bottom of the garden where the detached outbuildings are situated.

Finished with a modern design and built by the current owner, Holmefield provides bright and airy living spaces that are conveniently set across one floor. The centre point of the home is the fabulous L-shaped living kitchen, which incorporates a spacious living area and a dining kitchen that boasts a breakfast island and integrated Neff main appliances. There is also a useful pantry and utility room just off the kitchen. Connecting the living kitchen with the property's substantial gardens are two sets of sliding doors that open to the rear garden and side seating terrace. Arranged around an inner hallway, off the main entrance hall, are three bedrooms and a family bathroom. The master bedroom offers a well-appointed suite, which features a good-sized bedroom, a dressing room with a comprehensive range of fitted furniture and an en-suite shower room.

The property is located between Thurgroft and Laughton-en-le-Morthen and has convenient access to the local amenities, including shops, public houses and cafes. There are also easy connections to Dinnington, offering a further range of conveniences. Due to the semi-rural location of Holmefield, there are countryside walks that are available from the doorstep. The M1, M18 and A1 are easily reachable from the property and provide good links to Sheffield, Nottingham, Leeds and London.

The property briefly comprises on the ground floor: Entrance hall, WC, lounge, boiler cupboard, living kitchen, pantry, utility room, inner hallway, master bedroom, master dressing room, master en-suite, bedroom 2, bedroom 3 and family bathroom.

Outbuildings: Arctic cabin, multiple-car garage, gymnasium and garage.

Ground Floor

A UPVC door with a double glazed obscured panel opens to the:

Entrance Hall

A welcoming entrance hall with recessed lighting, central heating radiator and timber effect flooring. To one wall, there is a range of fitted furniture, incorporating shelving, cloaks hanging, a fitted bench and a concealed door within a shelving

Holmefield

Boasting Extensive Grounds, Incorporating a Large Gated Driveway, Three Fields and Two Detached Outbuildings

Exterior and Gardens

From Common Lane, a sliding electric gate with remote operation opens to the front of the property where there is a large driveway with exterior lighting and providing parking for several vehicles. A flagged area provides access to the main entrance door. From the driveway, a pedestrian gate opens to an enclosed area which houses the Kingspan Klargester sewage treatment plant. Another pedestrian gate opens to another enclosed area that houses the oil tank. Access can be gained to both sides of the property.

To the left side of the property, there is an additional parking area with exterior lighting, a water tap and having the provision for an electric car charging point. A pedestrian gate opens to the rear of the property.

To the right side of the property, there is a garden that is mainly laid to lawn with planted flower borders. Also having a large flagged terrace with exterior lighting, an external power point and a water tap. Access can be gained to the living kitchen, utility room and a pedestrian gate opens to the rear of the property.

To the rear of the property, there is a flagged terrace that extends along the rear elevation with exterior lighting and external power points. Access can be gained to the living kitchen and to both sides of the property through gates. Beyond the terrace, there is an extensive lawned garden that has hedging to one side and fencing to the other. To the bottom of the garden, there is an Arctic Cabin, a detached multiple-car garage and another detached outbuilding that includes a gymnasium and garage. The outbuildings both have exterior lighting and one of them has an external water tap.

Arctic Cabin

17'4 x 11'2 (5.29m x 3.40m)

An entrance door with a double glazed panel provides access. Having double glazed windows, power, fitted bar and a Polar Grilli fire-pit/grill.

Multiple-Car Garage

44'0 x 28'6 (13.40m x 8.70m)

Having a remote controlled roller shutter door, light, power, gas fuelled heater and roof lights.

Gymnasium

28'7 x 28'2 (8.70m x 8.59m)

Having a personnel entrance door, roof lights, light, power and Mitsubishi air conditioning unit.

Garage

28'2 x 11'6 (8.59m x 3.50m)

Having an electric roller shutter door, roof lights, light, power and a personnel entrance door.

Behind the outbuildings, two sets of electric gates open to fields at either side of the property.

Field 1

A large field that covers just under one acre and is enclosed by hedging and fencing. Two separate metal gates open to Common Lane. From one of the gates, a gravelled track leads to electric gates that open to the rear of Holmefield.

Field 2

Totalling approximately 3.5 acres, this field is enclosed by hedging and fencing. A metal gate opens to Common Lane and an opening in the hedge leads to field 3. There is also a public footpath stile that allows access to the footpath that runs through both field 2 and 3.

Field 3

Spanning approximately 3.8 acres and being enclosed by hedging.
