

Woodland
Troway, Sheffield

Exterior and Gardens

From Quarry Hill, wrought iron electric gates set within a stone wall open to Woodland. A gravelled driveway leads down the left side of the property and provides parking for several vehicles and has a Victorian-style lamppost.

To the front of the property, there is a gravelled path, which is accessed from the driveway and leads to stone steps. The steps have exterior lighting and lead down to a stone flagged area with exterior lighting and an external power point. Access can be gained to the main entrance door, which is set beneath an oak canopy. Another set of stone steps rise back to the driveway.

An Outstanding Four Double
Bedroomed Detached Residence

Woodland

Welcome to Woodland

Offering wonderful tranquility in a picturesque rural location, Woodland is an outstanding four bedroomed detached residence that enjoys stunning far-reaching views across countryside landscapes. Constructed in 2022 to a superb standard, this exceptional home boasts contemporary family accommodation across three floors that is filled with an abundance of bright and spacious rooms.

Woodland is a one-of-a-kind home that has been thoughtfully designed to take full advantage of the beautiful vistas and to facilitate ease of everyday living. Benefitting from under floor heating across the ground floor, this exquisite property comprises a well-proportioned lounge featuring an impressive stone fireplace and a fabulous open plan living kitchen. The living kitchen is a space that is filled with natural light and contains a living/dining area and a breakfast kitchen that incorporates high-quality integrated appliances and a large central island. Both the lounge and living kitchen seamlessly connect to the rear garden through aluminium sliding doors. One of the main focal points of the home is its modern oak/steel floating staircase that connects the ground floor to the first and second floors. Three double bedrooms, one with an en-suite, are positioned on the first floor, along with a family bathroom. Spanning the entirety of the second floor is the master bedroom suite, providing a luxurious sanctuary. The exceptionally spacious master bedroom showcases an apex glazed panel, set behind a copper roll top bath, and creates a 'picture perfect' frame of the breathtaking views. Also within the master suite is a large en-suite shower room.

Nestled within approximately 0.7 of an acre and standing behind electric gates, Woodland is surrounded by extensive outdoor spaces, including a substantial, level lawned garden with two patio areas. The front of the property has been crafted with symmetry in mind, creating an impressive central stone staircase, which leads down to the main entrance door that is set beneath an oak canopy. A gravelled driveway allows parking for several vehicles and there is also a timber-clad detached double garage.

Positioned between Dronfield and Eckington, the village of Troway is a lightly populated area and is home to a public house and a farm shop/cafe. The property is a short distance to the amenities of Dronfield and Eckington, which can be reached within a short drive and include shops, supermarkets, restaurants and public houses. Dronfield train station is conveniently placed and provides rail links to Chesterfield, Sheffield and onward journeys to London. Scenic walks are available from the doorstep with public footpath routes leading through the surrounding countryside. A short drive also takes you to Sheffield city centre and Chesterfield, and the Peak District National Park is easily accessible.

The property briefly comprises on the ground floor: Entrance hall, lounge, storage cupboard, WC, living kitchen and utility room.

On the first floor: Landing, bedroom 2, bedroom 2 en-suite, store, bedroom 4, family bathroom, bedroom 3 and bedroom 3 Juliet balcony.

On the second floor: Landing, master bedroom, master en-suite and storage cupboard.

Ground Floor

An oak door with triple glazed obscured side panels opens to the:

Entrance Hall

Providing an impressive welcome thanks to the floating oak/steel staircase. Having a rear facing UPVC triple glazed panel, data points and tiled flooring with under floor heating. Oak doors open to the lounge, storage cupboard, WC and living kitchen.
