

Padley Manor Farm

Upper Padley, Grindleford

Blenheim
Park Estates

Exterior and Gardens

From Grindleford train station and after the railway bridge, an unadopted road provides access to a number of the homes, including Padley Manor Farm.

To access Padley Manor Farm, there is a timber gate that opens to the right side of the property and a block paved driveway. The driveway is situated alongside the front elevation and provides parking for several vehicles and access to a carport and bike store. To one corner of the driveway, a stone step leads to a grass path flanked by plants and provides a pedestrian right of way to Padley Chapel (not owned by Padley Manor Farm).

A Magnificent Four Bedroomed Residence,
Situated in a Picturesque Location...

Welcome to Padley Manor Farm

A rare opportunity has arisen to acquire this magnificent four bedroomed detached residence, located in the picturesque Hope Valley and enjoying stunning far-reaching views. Dating back to the 18th century, Padley Manor Farm is a Grade II listed family home that sits within a private plot that extends to approximately 1.5 acres.

Constructed from the stone that was used for the now ruined Padley Manor, this historic dwelling retains a wealth of character, including features such as stone mullioned windows, exposed timber beams and decorative gritstone fireplaces. The former dairy and hayloft from when the property was used as a farm now accommodate the breakfast kitchen and third bedroom.

Padley Manor Farm is a truly unique offering and has the benefit of a country-style breakfast kitchen, three generously-sized reception rooms and a welcoming entrance hall that showcases a double-height ceiling with a galleried landing above. Set across the first floor are three double bedrooms, one with an en-suite, and a well-appointed family bathroom. Accessed separately from the ground floor lounge is the fourth bedroom that has the advantage of an en-suite shower room, making it ideal for a teenager or dependant relative. Presenting the perfect retreat to relish the tranquil surroundings are the substantial, beautifully landscaped gardens which are a haven for nature. The gardens have to be seen to be fully appreciated and are densely populated with mature trees and a comprehensive variety of established, unusual shrubs. Within the gardens, there is also a pleasant stone flagged seating terrace and a versatile summer house. Situated across from the property is a useful kitchen garden that contains a greenhouse, garden store and various planting areas, allowing the homeowner to grow their own soft fruits.

This fabulous home is located in the sought-after area of Upper Padley, Grindleford, in the heart of the Peak District National Park. Adjacent to the property is Padley Chapel, a historic site with foundation ruins of the medieval Manor House. Within Grindleford village, there is a public house and a hotel, (The Maynard), a community shop and Grindleford train station, which is approximately five minutes walk away, providing direct rail links to Sheffield, Manchester and a host of Peak District locations such as Hathersage and Hope. Due to the property's semi-rural location there is a range of walking routes available from the doorstep, including scenic Padley Gorge, the Longshaw Estate, Froggatt Edge, Owlter Tor and Millstone Edge. Whilst enjoying the peaceful environment of countryside living, Padley Manor Farm is also just a short drive away from Sheffield, providing additional conveniences within the city centre and suburbs.

Steeped in History, This Family Home Dates Back to the 18th Century and is Constructed from the Stone that was Used for the now Ruined Padley Manor
