6 Meadow View Road, Sheffield

Blenheim
Park Estates

Exterior and Gardens

From Meadow View Road, double gates with a video intercom entry system open to the front of the property.

To the front of Ivy House, there is a block paved driveway with an external power point and a stone flagged area, which could provide additional parking. The front elevation is illuminated by colour changing LED lighting and the driveway is enclosed by mature hedging and fencing. Access can be gained to the main entrance door.

From the driveway, a wrought iron pedestrian gate opens to the right side of the property where there is a porcelain flagged path with exterior lighting, raised timber sleepers and a water tap. Access can be gained to the dining room/bedroom 4 and a timber pedestrian gate opens to the rear garden.

A Modern Three/Four Bedroom
Detached Family Residence

Ivy House

Welcome to Ivy House

A contemporary retreat awaits at Ivy House. Considerably extended and renovated in 2020 by the current owner, this outstanding three/four bedroomed detached residence presents over 1600 sq.ft of luxury family living. Standing in a striking and enviable position, Ivy House provides a superb degree of privacy throughout the property and its external spaces.

Ivy House has a unique specification that has been tailored by the current owner and notably includes air conditioning to three of the rooms. Upon entering, you are greeted by a spacious reception hall, which links to the main living areas of the home. The heart of the residence is the fabulous breakfast kitchen that has been stylishly crafted to include a central island, a range of integrated appliances and bi-folding doors onto the rear garden. Just-off the breakfast kitchen, there is a utility room with an adjoining WC. Also on the ground floor is a wonderful lounge with LED mood lighting and a versatile dining room that could potentially be used as a fourth bedroom.

A walnut, glazed staircase rises to the first floor from the reception hall and connects to the family bathroom and three generously-sized double bedrooms, one of which has an en-suite shower room. The opulent family bathroom by Porcelanosa presents a relaxing sanctuary, featuring an extra-large bath and a walk-in shower with an illuminated rain head shower and a built-in aromatherapy diffuser.

Ivy House is accessible through a video intercom system and gates, adding exclusivity to the home. Lit up at night by colour changing LED lighting, the front elevation provides a great first impression with its wooden effect UPVC cladding and modern render. There is a driveway providing potential for parking several vehicles and to the rear, a porcelain flagged seating terrace offers ample space for outdoor seating. Beyond the terrace is garden containing artificial turf, established shrub borders and a large pear tree. To the bottom of the garden, there are currently sectional concrete buildings, which will be removed by the owner at the point of sale, however this provides another area of the garden that could be landscaped by a purchaser to suit their requirements.

The property is situated with good access to Meadowhead and Woodseats, including supermarkets, shops, restaurants and public houses. The popular St James Retail Park is reached within a short drive, providing high-street shops such as Next, TK Maxx, M&S and Home Sense. The area is well served by public transport and good local schooling. Within walking distance from the home, there is Graves Park and Chancet Wood. The Peak District is located just a short drive away, as is Sheffield city centre.

The property briefly comprises of on the ground floor: Reception hall, lounge, dining room/bedroom 4, breakfast kitchen, utility room and WC.

On the first floor: Landing, bedroom 3, master bedroom, master en-suite, family bathroom and bedroom 2.
