THE PROPERTY

Constructed in 2010, The Cottage at Daymer Bay is a quintessential whitewashed 4-bedroom coastal home, set in a large garden just moments from the shoreline at Daymer Bay. Spacious and naturally lit throughout, the ground floor comprises a wonderful light and airy open plan kitchen, dining and living area with a wood burner, and full height patio doors leading out to the west facing terrace and garden. A large utility room with a door to the garden, also provides access to a WC, the garage and an impressive wet room, perfect for keeping the inevitable sandy feet at bay.

Two ground floor double bedrooms both have dual aspect windows overlooking the pretty garden (one also has a patio door out to the terrace), and the ground floor bedrooms share a spacious family bathroom.

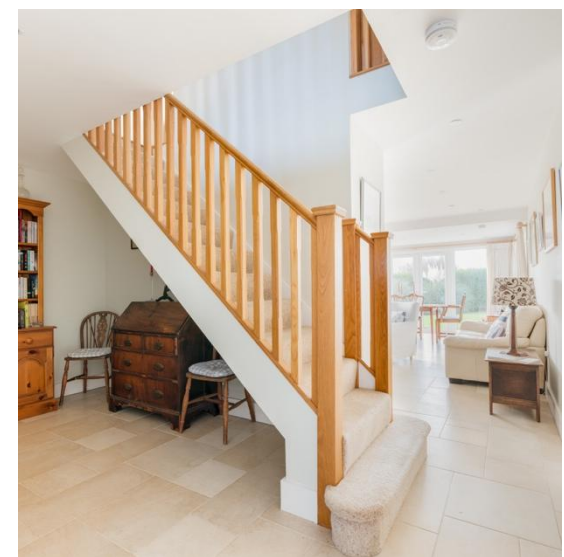

On the first floor a wide landing/study area leads to the second living room, a bright space with a wood burner, vaulted ceiling and a glazed sea-facing wall with patio doors that opens onto a wide covered balcony, perfect for enjoying the far-reaching views. Two large en suite bedrooms complete this floor, both with estuary views.

OUTSIDE

The Cottage sits in a generous lawned garden, bordered with mature hedging. The gated entrance off Daymer Lane turns into a tarmac driveway with parking for several cars/boat, along with an integrated single garage offering additional storage space. The paved, sea facing terrace extends from the front around the side of the house to the entrance. A pedestrian gate opens onto Daymer Lane and in the top corner of the garden a 5-Bar gate provides access into Daymer Bay car park, creating a short cut onto the coast path.
