An exceptional four double-bedroomed detached house occupying an elevated position with stunning views over the Bourne Valley. Located on the edge of the sought after village of St Mary Bourne, the property was constructed as recently as 2010 and benefits from driveway parking for up to three vehicles. The current vendors have further enhanced the property during their tenure including extensive landscaping and terracing of the rear garden to a very high standard. Immaculately presented throughout, the accommodation comprises living room, dining room, separate snug, cloakroom, kitchen, master bedroom suite, three further double bedrooms and a family bathroom.

Steps up from the driveway parking lead through an attractive landscaped frontage and lead to the front door of the property, sheltered by a pitched porch. There are two front-aspect reception rooms taking in those views across the Bourne Valley; a snug welcomes you in from the front door whilst an expansive living room includes a modern wood burning stove. To the rear of the ground floor are a dining room with bifold doors opening out to a terrace at the rear. A very well stocked kitchen features attractive travertine tiled flooring along with integrated appliances and a matching island breakfast bar. On the first floor, the master bedroom suite with a front aspect box bay window provides far reaching views across the Bourne Valley and back to the village lake. There are three further double bedrooms, two with views to the terraced garden at the rear and open fields beyond, all serviced by a family bathroom.

The terraced rear garden features attractive brick and flint retaining walls with lawns on two separate levels separated by mature flower and shrub borders. Maximising the views from the top of the garden is an outdoor seating area underneath a pergola with a variety of mature climbing plants entwined. Viewing is highly recommended to fully appreciate all that this property has to offer including the very appealing location.

St Mary Bourne is a thriving village located in the heart of the Bourne Valley within the North Wessex Downs National Landscape. The village itself offers numerous local amenities including a state of the art Village and Community centre on the banks of the village lake with various sports and community facilities available. Alongside is a recently refurbished village shop which includes a coffee shop and post office whilst the village can also boast a GP Surgery, Primary School, Church and two public houses. Nearby are the towns of Whitchurch and Andover, both offering wider amenities and both on the main Exeter to Waterloo railway line with commuters times to London around the hour.
