Located in one of Andover's most sought-after and established residential areas, this extended, three-bedroomed semi-detached house benefits from proximity to town centre amenities and local schools whilst having open countryside almost on the doorstep. The accommodation comprises a ground floor with a good-sized, dual-aspect living/dining room complete with a wood burning stove, a kitchen, a ground floor bathroom with an adjoining ground floor bedroom. The first floor provides two further bedrooms serviced by a shower room. Outside, the property has a small mature garden area to the front with gated side access to a rear garden with a wildlife theme, complete with a wildlife pond, mature flower and shrub borders, a garden shed and raised vegetable beds.

Andover offers a range of shopping, educational and recreational facilities, including a college of further education, a cinema, theatre and leisure centre. The mainline railway station runs a direct route to London's Waterloo in just over an hour, whilst the nearby A303 offers good road access to both London and the West Country. Dunmow Road can be found on the southern side of Andover off Winchester Road via Old Winton Road and gives good access not only to the town centre but also to open countryside, with the start of the historic Ladies Walk a few metres away, which provides footpath access to open countryside and Harewood Forest beyond. Rooksbury Mill Nature Reserve and the outlying Clatford villages are just over a mile away, whilst Andover Golf Club is located on nearby Winchester Road with the Hampshire Golf Club a short distance further on as Winchester Road heads towards Stockbridge, Wherwell and Chilbolton, all within the heart of the Test Valley.
