Offered to the property market with No Onward Chain, this detached, four-double-bedroomed house is located within a desirable cul-de-sac bordering open countryside in the village of Charlton. The property benefits from driveway parking in front of a double garage complete with a remote-controlled up-and-over door. The spacious accommodation comprises a ground floor with an entrance hallway, a kitchen, a living room, a separate dining room, a study and a recently fitted wetroom with underfloor heating. The first floor provides a master bedroom suite, three further double bedrooms and a family bathroom. Outside, there are mature, low-maintenance gardens to both the front and the rear of the property.

The property sits within a plot where the frontage includes the double garage with driveway parking and gated access leading to a path through the front garden to the front door. The front garden is of good size and mainly laid to lawn with mature shrub and herbaceous borders. A path leads to one side of the property, providing access to both the garage via a personal rear door and the rear garden which includes a small patio area, lawn and mature shrub borders, ornamental trees, a greenhouse and a vegetable patch adjacent to one side of the property.

The front door leads into an entrance hallway with the study, modern wetroom and the kitchen all having a front aspect. The kitchen itself currently comprises a range of eye and base level cupboards and drawers with worksurfaces over and tiled splashbacks along with a stainless steel sink with drainer, space for a freestanding cooker, space and plumbing for a washing machine and an integral, undercounter fridge. A wall mounted gas boiler is located in the kitchen which also has an external door accessing the side of the property and a serving hatch through to the rear aspect dining room. Also to the rear of the ground floor is a good-sized living room with sliding patio doors providing access to the rear garden and internal double doors that open into the dining room. On the first floor, the master bedroom has a window to the front, fitted wardrobe storage and an ensuite shower room. Bedrooms two and three both have a rear aspect and include fitted wardrobe storage with bedroom four, a smaller double having a window to the front as does the family bathroom.
