They are furnished on the express understanding that neither the Agents nor the Vendors are under any liability or claim in respect of their contents. Any prospective purchaser must satisfy themselves by inspecting or otherwise as to the correctness of the particulars contained.

A rare opportunity to acquire this stunning, detached, executive five-bedroomed house located within a small, bespoke development in the heart of the picturesque village of Enham Alamein. The property benefits from an attractive, unspoilt outlook to the rear across open fields beyond an attractive south-facing garden along with a double garage and generous driveway parking. The very well-presented property provides generous accommodation throughout, with a ground floor comprising a large, dual-aspect living room, office, dining room, separate snug, open-plan kitchen/dining room, utility room and a cloakroom. The first floor offers five double bedrooms, two with ensuite facilities, plus a family bathroom. The location offers much, with not only proximity to many local amenities and those of Andover itself nearby, but also the village being within a catchment area for local pre-school, primary, secondary and tertiary education.

A welcoming entrance hallway is located centrally at the front of the property with stairs providing access to the first floor and doors to all other ground floor accommodation. With a front aspect are both the Study and the Snug, on opposite sides of the entrance hallway, with both benefitting from bespoke Strachan fitted storage and furniture. An expansive Living Room has a light and airy theme with its dual aspect and French Doors opening out to the rear garden. The Living Room maintains a cosy feel with a living flame gas fire inset on a natural stone hearth with matching surround and mantle. The hub of the property is no doubt the impressive open-plan kitchen/dining room. Also light and airy throughout, with further French Doors opening out from the dining area to the rear garden along with the rear aspect windows offering fine views across to open countryside beyond the rear garden. The kitchen has a truly modern and contemporary theme with granite worksurfaces and matching upstands contrasting with the kitchen units and tiled flooring. The utility room is accessed from the kitchen and provides external side access to the driveway as well as space and plumbing for a washing machine and tumble dryer, separate sink and drainer, worksurface, storage cupboards and wall-mounted gas boiler.

The first floor has very recently been fully re-decorated throughout and provides five double bedrooms in total, each with built-in wardrobe storage. With a front aspect are the master suite and two further bedrooms, whilst to the rear, taking in those rural views are the remaining two bedrooms, one of which also has an ensuite shower room alongside the family bathroom. Outside, the double garage benefits from automatic up and over doors plus power and lighting as well as an EV charging point, conveniently located to charge a vehicle whether it be inside or outside the garage. A secluded rear garden is mainly laid to lawn with separate patio areas, mature hedging, trees and borders.

The village of Enham Alamein benefits from having its own village shop, supplying locally sourced goods and includes a Post Office. There is also a charity shop with a café, set amongst a two-hundred-year-old walled garden. Local country pubs can be found a short distance away in various directions, whilst various public footpaths and byways offer access to open countryside, right on the doorstep of the property. Andover's town centre provides shopping, leisure and health facilities, with the mainline railway station giving London-bound commuters an hour's journey into Waterloo, along with the nearby A303 and A34 providing excellent road links in all directions. Enham Alamein is on a bus route that links both Andover and Newbury, while Andover's town centre can be reached within 20 minutes via dedicated countryside cycle routes.
