THE OLD POST OFFICE

Outgate, Ambleside

A beautifully presented and quintessential two/three bedroom Grade II Listed traditional Lakeland cottage. The property has the perfect combination of original character features blended with modern appointments. With lovely views towards Latterbarrow whilst the delightful private garden enjoys lovely south facing country views over the adjacent countryside. It also benefits from an attached garage and there is also parking at the rear of the garden area.

As the name suggests the property was formally a post office which has chocolate box appeal being a detached double fronted traditional Lakeland cottage. The property was extended in the 1980's by a previous owner. It has been sympathetically renovated to a high specification throughout by the current owner bringing the property into the 21st century, whilst still keeping an abundance of characterful features including exposed beams, original flag stone floors, open fire place etc. Newer installations include gas central heating with traditional cast iron style radiators and the creation of a study/third bedroom with downstairs shower room. The property will suit a wide variety of purchasers whether as a delightful main residence or equally suitable as a holiday home/let. We are advised it could generate an annual income of circa £45,900.

The principle garden area which is quite substantial, across the lane provides beautiful panoramic country views with a high degree of privacy.

Set in a picturesque semi rural position with pleasant fell and country views, the property is in the popular hamlet of Outgate approximately 1 mile north of Hawkshead and only a 10 minute drive to the market town of Ambleside which has a wide range of amenities including shops and restaurants, etc. The Outgate Inn is only a stones throw away, whilst the famous Drunken Duck Inn is about $\frac{3}{4}$ of a mile away. There is a large variety of fell and country walks from the doorstep.
