1 TOWN END COTTAGES

FAR SAWREY, AMBLESIDE

A spacious and highly versatile traditional 6-bedroom quintessential, Grade II listed Lakeland property in a wonderful rural location. The accommodation is split between the main cottage with 3 or 4 bedrooms enjoying an abundance of original character features including exposed beams and flag floors, with the highly useful adjoining 3-bedroom annexe. The principle accommodation may benefit from some modernisation, however the annexe has been upgraded in recent years. The flexible accommodation has both separate external as well as an internal access, which is divided on the ground floor by the highly useful garage/ workshop.

The property enjoys a superb position located in the quiet village of Far Sawrey close to the western shores of Lake Windermere and the ferry which crosses the Lake to Bowness on Windermere.

Town End is situated on an attractively sized plot, with a private gated raised garden to the front and a patio/terrace to the rear which are certainly very manageable. It enjoys fabulous far-reaching views to the rear over the adjoining countryside.

The property will suit a variety of buyers whether as a main residence/retirement property or holiday property.

Far Sawrey is a small Lakeland village with a public house/hotel and Church while only a short distance away is the highly popular conservation village of Hawkshead and the busy market town of Ambleside offering a wider variety of amenities only 5 miles away. Far Sawrey is situated 1 mile away from the former home of Beatrix Potter at Hill Top Farm and less than a mile to Lake Windermere.
