Penstones Court

The properties of Penstones Court, set in the former farmyard of Penstones Farm, are built from local stone and finished with clay-tile roofs, integrating beautifully with the traditional local architecture. The two and three-bedroom cottages, some with additional features such as sun rooms or conservatories, are arranged around an attractive garden courtyard. The grounds are quite exceptional with a large paddock, a big natural pond, a croquet lawn and an allotment area for keen gardeners, and the estate offers unbroken views over the Vale of the White Horse.

Stanford-in-the-Vale is a lively village that, in medieval days, rivalled nearby Abingdon for its market place, and it remains a thriving community with many active clubs and societies, as well as a hairdresser, post office, newsagent and supermarket all within a few minutes' walk. The Vale of the White Horse takes its name from the Bronze-Age figure carved into the hill above Uffington, five miles away. White Horse Hill, now maintained by the National Trust, is a wonderful place to walk with commanding views over six counties. The estate is also only a short drive away from the 670 square miles of beautiful countryside in the North Wessex Downs Area of Outstanding Natural Beauty.

Cognatum Estates Limited provides the services and amenities shown below together with the maintenance, repair and insurance of the buildings, personal alarms, window cleaning and refuse collection. The cost of providing these services is shared equally between all properties.
