The Orchard

The Orchard is built on land once belonging to John Keble, poet, curate and founder of the Oxford Movement. The two and three-bedroom properties all have garages and are built in local stone. Through an archway there is a hidden garden square, lined with fruit trees recalling the estate's orchard origins. Some of the cottages overlook this garden, which has a swimming pavilion and sun terrace to one side.

The estate is just 250 yards from Fairford market place, which offers a wide variety of both contemporary and antique shops and also plays host to a weekly market. Fairford's church of St Mary is simply one of the best in the country, known primarily for its breathtaking, medieval stained-glass windows, and the RAF Fairford is world-famous for its spectacular aerial displays at the air show every July. Opportunities to enjoy the outdoors abound, with the Mill and Trout Farm at Bibury, the 15th-Century ruins by the river in Minster Lovell and the Cotswold Wildlife Park and Gardens all nearby. Then for days when the weather makes being outside less appealing, there is plenty to see and do in the bustling market towns of Cirencester, Stow-on-the-Wold and Burford.

Cognatum Estates Limited provides the services and amenities shown below together with the maintenance, repair and insurance of the buildings, personal alarms, window cleaning and refuse collection. The cost of providing these services is shared equally between all properties.
