A semi-detached stone built period cottage in a delightful village location yet only some 7 miles to the east of Grantham and associated amenities. The property offers surprisingly spacious character accommodation which is now in need of modernisation and improvement and which will result in an enviable country home. The adjoining cottage was extended and remodeled during recent years and it is anticipated a similar scheme could be followed with Woodbine Cottage. The present layout includes two reception rooms, a long kitchen, conservatory/utility, ground floor shower/WC, three bedrooms and a bathroom. There are good sized gardens to the front and side of the cottage as well as an existing garage. Properties of this nature are increasingly difficult to find and viewing is recommended. Offered for sale with no onward chain.
