A fantastic opportunity to acquire one of two bespoke family homes which are constructed to an uncompromising standard and set within what is sure to be one of the Clyde Valley's most select addresses.

Finished externally in a contemporary style and set amidst level garden grounds, these striking homes offer an unrivalled level of luxury and comfort with an abundance of both public and bedroom space all accessed via a most impressive glazed hallway.

The ground floor accommodation has been configured to suit most living styles; however, the layout is quite simply outstanding and comprises large principal lounge with commanding views of the rear garden, sizeable sitting room leading to open plan dining area and outstanding dining kitchen by Silverbirch with plant and utility rooms off, home office adjacent to a wc/shower room and a further bedroom or reading room.

The upper floor accommodation is accessed off a large landing and offers a boutique master suite with dressing area, contemporary en-suite bathroom, Juliet balcony to rear and access to a private balcony. There are a further three double bedrooms, one with an en-suite shower room, and an additional family shower room. There is also access to the sun balcony from bedroom three.

The gardens will be laid mainly to lawn and will be securely bounded by timber fencing with large driveways leading to the double integral garages.
