## 4 Bedrooms | 3 Public Rooms | 3 Bathrooms

A fantastic opportunity to acquire a boutique villa set within what will be one of the most attractive semi rural developments within the area in recent times.

The site will initially consist of three bespoke homes which will be externally finished in a mix of dressed stone, extensive glazing and smooth render with pitched, slate roofs. Air source heat pumps shall provide economic energy whilst the high performance double glazing shall further enhance the energy efficiency of each villa.

Extending to approx 2,421 sq ft and set amidst private, fenced gardens each home shall have accommodation extending to welcoming entrance hall, large family lounge, fully integrated kitchen/living/dining room, utility room, cloaks/WC & home office. The upper level shall provide 4 sizeable bedrooms with each having access to en suite facilities.

The homes are scheduled for completion by the second quarter of 2024 and there is scope for the potential purchaser to influence interior aspects such as kitchen and bathroom choices and floor coverings throughout (subject to agreed costings).

The surrounding open areas shall be landscaped and bounded by existing mature trees thus enhancing the tranquil appeal of this outstanding development.

2421.00 sq ft | EER =
