This newly built five bedroom detached villa offers lovely sized rooms and sits within a quiet pocket on the outskirts of Hamilton.

Built in the style of "The Kendal", this beautifully finished modern villa is a new build home within the former Stewart Milne development. This particularly understated family home is NHBC backed and comes with carpets, integrated kitchen appliances and lawns to both the front and rear. With circa 1493 sq ft of living space, the rooms are bright, airy and neutrally decorated whilst featuring a highly efficient air source heat pump hybrid gas boiler and have quality UPVC double glazing. The bathrooms and en-suite are finished with quality sanitary ware and tiling.

The accommodation comprises reception hall, cloakroom wc, comfortable lounge, large modern dining sized kitchen with light coloured door fronts and contrasting worktops, separate utility room, five bedrooms, a master en-suite and a family bathroom. Integral to the house is a single garage.

Jersey Lane is a lovely street within the Brackenhill Park development. The development is nearing completion and offers a great location to bring up a family with excellent schools in the area. The site is located at the top of Hamilton which is a short drive from both Hamilton town centre and the town of Strathaven. Hamilton town is home to excellent shopping facilities, sports amenities including golf courses, swimming baths, gyms, parks and a selection of restaurants, bistros and pubs. For those commuting by public transport there are regular bus and train links to the surrounding towns including East Kilbride, Motherwell, Glasgow and Edinburgh. The nearby M74 motorway provides excellent road links throughout the west of Scotland.
