The Location

The approach from Ashbourne take the Belper Road travelling towards Hulland Ward. When entering Hulland Ward the property is situated on the left hand side and will be clearly denoted by the large "for sale" board.

A Brief History

This building was built in the 1940's and was used as a telephone exchange serving the residents of Hulland Ward and surrounding villages. The building was converted and extended in 2020 for residential/commercial use and had an extensive programme of refurbishment to include rewiring and a new plumbing system. Every effort has been made to use fixtures and fittings from the era when this building was originally built, including original reclaimed Crabtree cast light fittings and the new windows and doors were manufactured by "Crittall", made to the same designs as the original windows/doors of the 1920s-1940s.

Ground Floor

The property is accessed via the gravelled driveway where the composite, 1930's style uPVC double glazed door opens to the
