£385,000

This stunning, split level, three bedroom detached home with fabulous bespoke features, is now available For Sale. Occupying an elevated position on a no through lane, this property enjoys truly spectacular views across Cromford Meadows and the surrounding Derwent Valley. Cromford is a thriving village with Post Office, village store, cafes and pubs, and with excellent rail, bus and road connections, Cromford has its own railway station linking to the national rail network. This home benefits from gas central heating, uPVC double glazing and is extremely well presented throughout. The accommodation comprises; entrance hallway, open plan kitchen / dining / sitting area, side porch / utility room, family bathroom and a ground floor bedroom. On the lower ground floor we have two double bedrooms, the master bedroom has an ensuite shower room and French doors opening out onto the garden, providing an exquisite outlook. The other lower ground bedroom has capacity for two double beds having a unique spacious area separated by an archway. Outside, there is off street parking and a single garage. There is a paved patio to the rear and a well established garden, ideal for enjoying the far reaching views and with a high level of privacy. The front garden has recently been levelled with Cotswold stone gravel offering a private suntrap area. Viewing for this outstanding property is highly recommended. Virtual Tour Available. No Upward Chain.

Location

This property can be found within walking distance of the village of Cromford, and its elevated position provides the most spectacular views over the Derwent Valley. Cromford has a good range of local amenities including a primary school, post office, restaurants, public houses, church and the nationally renowned Scarthin Books. The county town of Matlock is located 3 miles to the north and Wirksworth 2 miles to the south, both of these towns offering a wider range of amenities including shops, secondary schools and leisure facilities. It is within easy reach of the Peak District National Park and approximately six miles away is Carsington Water with its water sports and leisure facilities. The nearby A6 provides swift onward travel to both the north and south and Cromford has its own railway station allowing easy access to Derby and the national rail network. The village of Cromford, a World Heritage Site, was originally developed by Sir Richard Arkwright and is one of the best preserved factory communities of the early Industrial Revolution with Cromford Mill and Cromford Canal providing much loved visitor attractions. Much of the village has been made an Outstanding Conservation Area.
