A fine example of a double fronted detached Edwardian family home with five bedrooms and two bathrooms over the top two floors. Period features have been retained throughout. A wonderful opportunity for a purchaser to modernise and put their own stamp on a forever family home.

Entering on the ground floor you are greeted with a spacious hallway and central staircase. There are two large reception rooms to the left and right (both with fireplaces), with a utility room, cloak room and large kitchen located to the rear.

To the first floor there is a split landing area with four double bedrooms and two bathrooms. The principle bedroom benefits from its own en-suite and separate dressing room/area. A loft conversion has been added to provide a fifth bedroom or home office. Many neighbouring properties have created off street parking, reconfigured and extended with the relevant consents.

Queens Road is a quiet cul-de-sac less than half a mile to Ealing Broadway station and shopping centre. For the commuter you have access to the Elizabeth Line, Central, District and National Rail. Vehicular access to M4 and A40 are easily accessible.
