Argyle Road, W13

A semi-detached period property just moments from the station that is presently arranged as two flats. There is scope to purchase as an existing investment opportunity or, with minor reconfiguration, it could be a substantial six bedroom family home with off street parking a good size garden.

Current configuration consists of an entrance hallway with individual doors to ground floor and first floor accommodation. The property is currently arranged as a ground and first floor flat on individual leases, however, the sale of the house will include the freehold.

There are many neighbouring family homes that have been significantly extended and once reconfigured the property could provide the "forever" family home that you are looking for.

Located very close (0.1 miles) to the new West Ealing Elizabeth line station providing fast trains into and out of London. Ealing Broadway for the Central and District lines is approximately a mile. There are excellent local schools and a Waitrose superstore moments away.
