

## Haven Lane, W5

£985,000

In need of modernisation throughout, this property offers significant potential for loft (currently a large loft space with Velux windows) and ground floor extensions, and reconfiguration (subject to relevant consents). Currently configured as a two bedroom home with off street parking, large loft and garden, many others on the street have created four bedroom family homes.

The green space of Haven Green separates Ealing Broadway Station from Haven Lane, extremely convenient for commuters and a rare opportunity to acquire a freehold house in this location.
