This five bedroom detached 1930's family home had been double storey extended and modernised by the current owners. Renovated to an exceptional standard throughout and set over three floors, there are five large bedrooms, four bathrooms, an open-plan living area, a large mature garden, off street parking and a separate granny annexe.

To the front of the property there is off street parking for multiple vehicles. Upon entering, there is a spacious receiving hallway, contemporary staircase and cloakroom. Through double doors you then enter the hub of the home with a vast open-plan kitchen/dining/living space, leading onto the large garden. There is also a separate utility room, cleverly hidden behind the kitchen.

To the first floor there are four large double bedrooms, two en-suite shower rooms and a family bathroom. The principal suite also benefits from floor to ceiling built in wardrobes. To the top floor there is a further, huge, fifth bedroom and en-suite bathroom.
