## Ashford Road, TW13

Wow. Characterful houses like this do not come up often. A detached four bedroom house with loads of off street parking and a good sized private garden, this really is a forever family home.

You enter the house into a hallway leading to a pretty through reception room and downstairs bedroom, with a kitchen to the back of the property. Upstairs you will find a further three bedrooms, one with an ensuite, and the family bathroom.

We are particularly keen on the frontage of the house and scope to further extend. With a large garage and plenty of off street parking to the front of the house it also comes with a good sized garden to the rear.

Ashford Road is a popular road which is close to brilliant local schools and has easy access for the A316 and Heathrow Airport.
