Wow, what an amazing house! We absolutely love the high spec finish of this five bedroom detached family home. It is the ultimate place for entertaining and we can't wait to arrange for you to take a look.

The ground floor consists of an intricately designed kitchen, being just one of a number of showstopping elements, a separate reception room, family room, study, utility room and WC.

Upstairs the first floor comes with four bedrooms and a family bathroom. The principle suite is yet another great feature to take in, coming with an en-suite bathroom and dressing room. The top floor is more of a multi use space with a fifth bedroom and bathroom.

Bifolding doors lead onto a stylishly landscaped garden, featuring an award winning Harrington Porter designed outdoor bar and fire pit area. You also have a Garage and electric charging point, as well as parking for multiple cars.

Located in the prestigious Ormond Crescent, this property has great local transport links including Hampton train station. A popular location for families who are looking to benefit from our outstanding choice of local state and private schools.
