

## Nightingale Road, TW12

£975,000

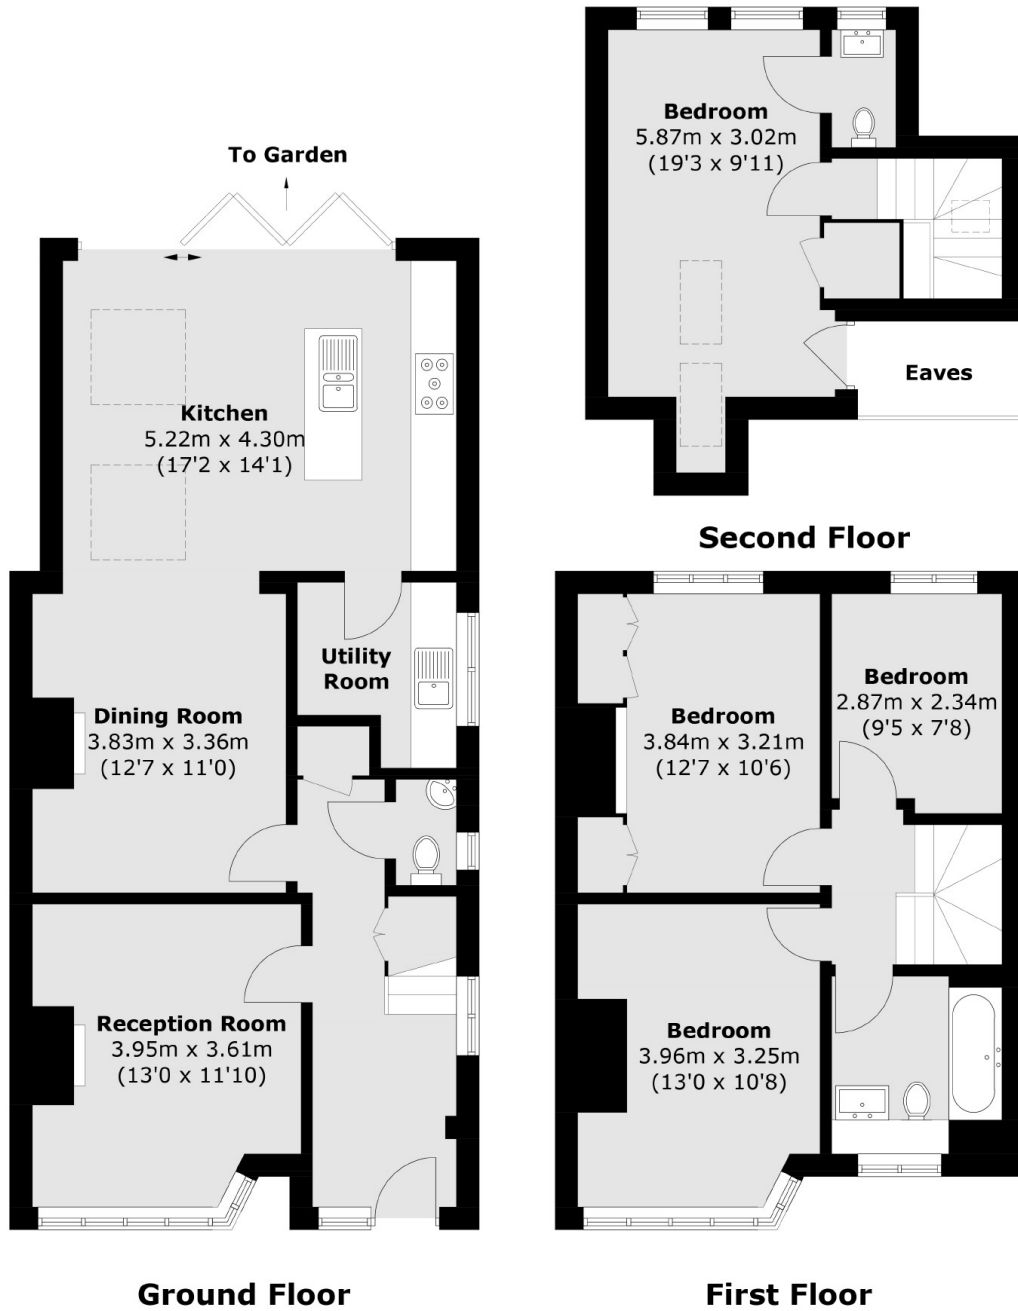

This semi detached four bedroom house makes the ultimate family home. We love the long, sunny, West facing garden with rear access. Having been recently decorated and coming with no onward chain it is well worth a look.

Nightingale Road is a much favoured, tranquil location centrally located and close to Hampton mainline station with direct links to London Waterloo. Excellent schools and parks are very close to hand.

### Features

- Off Street Parking
- Semi Detached
