## Grogan Close, TW12

This is a detached, four bedroom, two bathroom house which comes with a garage and off street parking. It makes a great family home and we are confident you will want to take a look in person.

Originally built as one of the show homes for the development, the ground floor of this detached house is very well presented with a focus on natural light, large bifolding doors and a modern kitchen/diner.

With one bathroom downstairs, upstairs also comes with a second family bathroom and four bedrooms.

It has off street parking at the front of the house and a particularly wide garden to the rear. The property also comes with a garage which is ideal for storage and parking.

Grogan Close is set within the popular Nurserylands development, with great bus links close by and within walking distance to local convenience shops and excellent schools.

### Features
