Acacia Road, TW12

This impressive four bedroom family home was designed and built a few years ago to a high standard. There is a wonderful feeling of light and space with generous rooms on all floors.

The spacious hallway has access to a separate reception room at the front of the house with a feature fire. The rear of the house opens up into a large kitchen with a sunken second reception room flooded with light from the glass roof.

There are three double bedrooms to the first floor with one en suite and one family bathroom. On the top floor you will find another double bedroom with en suite and fitted wardrobes.

There is off-street parking to the front of the house for two cars and to the rear is a cleverly designed garden with a secluded decked area. The house also benefits from a downstairs WC and side access into the garden.

Acacia Road is a favoured road in Hampton just north of Carlisle Park and a short walk to Bushy Park and ideally positioned close to Hampton's excellent schools including Jack and Jill, Hampton Boys and LEH.
