Gloucester Road, TW12

The ground floor is made up of a double reception room and kitchen diner. We love the original features like period cornice and the lovely sense of light throughout the house.

Upstairs the house comes with four bedrooms, three of which are on the first floor and the fourth as a master suite with ensuite bathroom in the loft.

With off street parking to the front of the property, the rear has a pretty, landscaped garden which is a really good size. The Westerly facing aspect means plenty of sun!
