The open/plan kitchen on the ground floor really is the hub of the home. Finished to a high quality standard, the sense of space really shines through. With two reception rooms, an office, utility room, WC and bedroom there is plenty of room to make it your own.

Upstairs has been extended by the current owners to create three bedrooms and a family bathroom. The house is neatly set back from the road, with plenty of off street parking and a front garden, as well as a garden to the rear. It's a home that suits families, upsizers and downsizers alike.
