Park Road, TW12 £595,000

A large two bedroom, split level maisonette coming with a private garden and tons of living space. Also with the benefit of no onward chain and a share of the freehold, we are expecting it to be snapped up.

Park Road is in a superb location off Hampton Hill High Street bordering both Teddington and Twickenham and conveniently situated within walking distance to Fulwell Station and Bushy Park. Ideally located for the top performing schools - LEH and Hampton Boys.
