

Thames Street, KT1

£435,000

Beautifully presented and very special, two double bedroom, first floor apartment located in central Kingston and part of a truly stunning Tudor style building. Internally the decoration and quality of finish is clear to see but rarely does a property appeal from the outside as much as this. A building of Townscape Merit and thought to have been built in the early 20th Century to a Neo-Tudor Style with a band of wooden carving and decorative glass panes. There are also two impressive lanterns that protrude from the building on the first floor.

The location couldn't be any more convenient in the heart of Kingston's Historic Market Square and just a few yards to the town centre with its vast array of shops, Kingston Bridge and the picturesque walk alongside the River Thames.

Features
