Victoria Drive, SW19

A modern house with five bedrooms, three bathrooms, off-street parking and an integral garage. Cambium is a first-class development built in 2018 with private roads and landscaped gardens.

This is one of the largest houses in the development and represents incredible value for money when compared to similar size houses in the local area. The Air Source Heat Pump and modern insulation result in incredible energy efficiency (Rated B). As you would expect the house has a contemporary kitchen, underfloor heating, luxurious bathrooms, built-in wardrobes and full height windows to maximise light into the rooms.

Victoria Drive connects Wimbledon Park to Tippet's Corner and is close to Southfields, Wimbledon Village and Putney. The 170, 39 and 493 buses stop very close by and go to Clapham Junction and Putney Bridge (39), Roehampton and Victoria (170) and Tooting to Richmond (493).
