Haliburton Road, TW1

This charming three bedroom Victorian property backing onto the River Crane makes a wonderful family home. The whole family will have hours of fun in a kayak or boat cruising up and down the river on a sunny day.

The entrance hallway leads onto the double reception room with feature fireplace, bay window and high ceilings. The kitchen is to the rear and been partially extended creating a useful seating area overlooking the garden. There is still huge potential for a full width rear extension if you desire.

Upstairs on the first floor are two double bedrooms and family bathroom. The loft has been converted to create a fantastic principle bedroom, enjoying pretty views over the garden and River Crane.

The west-facing garden is a brilliant size with patio area, a large lawn leading onto the decking area with mooring for the boat.

Haliburton Road is a popular residential Road in St. Margarets located within 0.3 Miles of the River Thames with it's tow path walks into Richmond. St. Margarets Village high street with its cafés, boutique shops and the main line train station. There are many local schools to choose from.
