Sandycombe Road, TW1

Situated in one of St. Margarets prime prestigious roads, is this handsome and well extended four double bedroom Victorian house. The property is perfect for families looking for their long term home. You will be impressed by the spacious rooms, period features and in immaculate condition throughout. Why not come and take a look.

On the ground floor is the entrance hallway leading to the two large reception rooms which include; a pretty bay window, feature fireplaces and high ceilings. The fully extended kitchen continues to impress with a central island, under floor heating, sliding doors and plenty of windows with electronic blinds. The room is filled with light and a space the whole family will enjoy.

Upstairs on the first floor are three double bedrooms with bespoke shutters and a modern fitted family bathroom. The loft has been converted to provide a further double bedroom with an en suite shower room. The west-facing garden is private and secluded with a storage shed and rear access.

Sandycombe Road is conveniently positioned in central St. Margarets, ideal for families looking to benefit from the local outstanding primary and secondary schools. The road leads directly to Marble Hill Park and the River Thames. Within 0.3 miles of the mainline train station and close to the village shops, cafés and restaurants.
