

St. Margarets Road, TW1

£1,495,000

Dexters

St. Margarets Road, TW1

A beautifully converted and renovated four/five bedroom end-of-terrace family home, offered to the market with no onward chain and very well laid out to accommodate modern family living. This property has off-street parking for two to three cars and is larger than many other homes on the street due to it being on a corner plot.

The ground floor has a spacious and welcoming entrance hall and a large reception room with high ceilings, oak flooring and a feature fireplace. There is a fifth bedroom/second reception room on the left and an impressive kitchen/dining room which has high quality built in appliances, a central island and marble surfaces. Bi-folding doors lead onto a sizeable modern patio and a landscaped wrap around garden which is fantastic for entertaining. There is a 241 sq. Ft studio in the garden which is perfect for use as a home office/play area/guest bedroom. On the first floor there are four well-proportioned bedrooms and two luxuriously appointed bathrooms, one of which is an En suite. Three of the bedrooms benefit from bespoke fitted wardrobes. The loft room has Velux windows and has been carpeted throughout providing extra space which can be used for an array of purposes. There is potential to convert the loft STPP. This property is incredibly bright and spacious as well as energy efficient and offers versatile living accommodation. With no detail or expense spared on this renovation, this is truly a property not to miss out on, and viewings are highly recommended.
