## Haliburton Road, TW1

A unique three double bedroom single storey home with a large, bright and spacious open-plan kitchen/dinning room/ living room. The property has a swimming pool and a generous west-facing garden backing onto the River Crane.

We love the space this property offers, the open-plan kitchen is a fantastic entertaining space. The pool is an added luxury and a unexpected treat to any property, hours of fun for the whole family.

There is also huge potential to extend on the first floor either loft converting or potentially adding another floor, of course this is subject to the usual planning consents. This property is offered with no onward chain.

Haliburton Road is a lovely quiet residential Road in St. Margarets 0.2 miles from the River Thames. With tow path walks into Richmond 0.6 miles from St. Margarets village high street with its cafés, boutique shops and the main line train station; with links into London Waterloo.
