This handsome end of terrace four bedroom two bathroom Victorian family home oozes luxury, style and sophistication. You will be hard pushed to find another house of this calibre.

The house is naturally arranged over three floors and offers flexible and versatile accommodation. Immediately you can feel that the current owners have completely renovated the house and garden from top to bottom to a very high specification. We love the open plan kitchen/dining/living room on the lower ground floor with sliding doors onto the perfectly landscaped west-facing garden.

The luxury bespoke Roundhouse kitchen includes wine fridge in the bar area, Miele appliances and bespoke wooden counter tops. There is also under floor heating on the lower ground floor, bespoke fitted units throughout the house, luxury Italian fitted wardrobes, two log burners, electric outdoor canopy and a very smart home office/gym to the rear of the garden, complete with electric and heating.

Worples Road is located in the heart of Old Isleworth providing access to excellent schools, St. Margarets village and train station. There is also access to the River Thames and Richmond Lock leading to Old Deer Park.
