

North Street, TW7

£870,000

Offered with no onward chain, this beautifully presented extended four bedroom house is perfect for a growing family. This Edwardian property seamlessly blends modern luxury with period features including high ceilings, original fireplaces, floorboards and sash windows. The ground floor includes an impressive, light filled open-plan kitchen/dining room as well as an open plan reception room with large bay windows overlooking the park.

North Street is one of the most sought after streets in Old Isleworth, with its close proximity to scenic walks along the River Thames and its rich history, including Syon House and the surrounding parklands. Positioned exceptionally well for popular local school catchments.

North Street, TW7

Spread over two floors are four great sized bedrooms. The current owners added a Scandinavian inspired loft conversion, resulting in a light and spacious master with custom built fitted wardrobes and a modern en suite.

On the first floor there is a family bathroom, a further two double bedrooms with original fireplaces and sash windows, as well as a single room which would be perfect for a nursery or study.

The ground floor also includes a downstairs WC, a utility room, underfloor heating, and full width bi folding doors opening out onto an established, south facing garden with raised beds.
