## Percy Road, TW7

This fantastic four double bedroom Victorian home is offered to the market in excellent condition. We love the stylish interior, this is sure to be a hit with the whole family.

The property has been fully extended on all floors which has created spacious living accommodation throughout. The ground floor has wide entrance hall, bespoke understairs storage, downstairs WC and shower room, and a large double reception room leading onto a full width kitchen featuring desirable central island and breakfast bar.

There are four double bedrooms upstairs all with bespoke fitted wardrobes, a study with fitted units which could alternatively be used as a nursery, family bathroom and top floor W.C.

Outside to the rear is a private family garden which backs onto Worple Primary school, we think this great as it gives the garden secluded aspect.

Within the Catchment for the Blue School, Percy Road is a prime residential cul-de-sac within Old Isleworth, moments from the River Crane and within a quarter mile of the River Thames with its tow path walks into Richmond.
