Twickenham Road, TW7

A substantial four bedroom semi-detached family home in need of full modernisation. With a garage, a large garden and scope to extend on the ground floor and into the loft, this is a house that can grow with your family.

On the ground floor is a spacious entrance hallway, leading onto the large lounge with a bay window. The dining room is a similar size next to the galley kitchen and has doors leading onto the rear garden. We think many families would like to open these two rooms into one and by possibly rear extending creating an open-plan kitchen/dining/family area. Upstairs there are four bedrooms, a family bathroom and a separate WC. The loft could easily be converted creating a further two bedrooms and bathroom or if you prefer a master suite. The sunny garden is a great size and features a large garage at the rear. This property is a great opportunity to put your own stamp on and rare to the market. The property is offered with no onward chain.

This property is situated opposite Isleworth leisure centre and library, and large park plus near excellent schools. Within easy reach of Old Isleworth high street with its wide range of local amenities and is moments from the River Thames with its tow paths to St Margarets and Richmond. Transport links include Isleworth, Twickenham and St Margarets Train Station close by.
