# Haliburton Road, TW1

We cannot wait to show you around this impressive three double bedroom Victorian family home. The west-facing garden is over 100ft and backs onto the River Crane. This house is sure to be a hit with the market.

The double reception room feels bright and spacious, with high ceilings, beautiful cornicing, a pretty fireplace, wood floors throughout and plenty of space for dining with your guests. There is a galley kitchen with fitted appliances, with doors onto the mature west-facing garden with a path leading to the River Crane.

Over two floors there are three double bedrooms, two with built in wardrobes, one with a Juliet balcony, ample storage available in the eaves and a family bathroom. There is plenty of potential to extend on the ground floor and further into the loft, if you are looking for even more space. Some cosmetic updating will be required for your long term family home.

Haliburton Road is a sought after location offering access to local schools, the River Thames, Syon Park, Old Isleworth, St Margarets village and train station to London Waterloo. Redlees Park and Moor Mead Park are also close by.
