Napoleon Road, TW1

A beautifully presented four double bedroom family home on a quiet residential road in St Margarets Village. Finished to the highest standard throughout the property benefits from three bathrooms, a modern fitted kitchen, additional playroom/office and low maintenance garden.

Set out over four floors the house has a striking entrance hall on the ground floor, with a large double reception room at the front of the property. The hallway flows down to a bright kitchen with fitted appliances and doors that open up on to the landscaped garden with AstroTurf and a fitted barbecue. A few short steps lead down to the playroom on the lower ground floor that could also be used as an office space or guest room.

To the first floor there is three double bedrooms including the master to the front, plenty of storage throughout and a large bathroom with a shower. A further flight of stairs take you up to the top floor which has another double bedroom with a roll top bath and additional en suite shower room. Additional features include underfloor heating and high ceilings making for the perfect family home.

Napoleon Road is located within St Margarets Village and the high street with its boutique shops, cafes and mainline station with its service to London Waterloo. There is easy access to Richmond and to the River Thames.
