

King Charles Road, KT5

£525,000

Dexters

King Charles Road, KT5

This period property is situated within an imposing Victorian villa and has two double bedrooms, a study, reception room, separate kitchen and modern bathroom. There is also a private garden, communal garden, off street parking and a share of the freehold.

The property is entered via its own front and has a good sized reception room with bay window, dining area and fireplace, this leads to the separate fully fitted kitchen.

There are two double bedrooms, the main bedroom has doors out to the garden. There is also a study/nursery and a newly refurbished bathroom .

Outside there is an off street parking at the front of the property, a private patio and garden, and a large communal garden.

King Charles Road is less than a mile away from Surbiton town centre with it's shops, bars restaurants and station with it's fast links into Waterloo. The property is near Surbitons Fishponds and around the corner from Alexandra Park.
