

Watts Lane, TW11
£639,950

Watts Lane, TW11

Located in this desirable cul-de-sac off Teddington Hight Street. This charming home has plenty of potential and needs a buyer who is ready to put their own stamp onto this beautiful home.

Entering into this home there are plenty of original features from wooden floors to an exposed brick fireplace in the reception room. The current layout has two separate reception rooms. From the second reception there is access to the kitchen, a utility to which houses the washing machine and a ground floor bathroom.

To the first floor there are three bedrooms, two are double rooms. The second double to the rear gives access to the third bedroom. We have seen plenty of different configurations to these houses and we are happy to share our experience and knowledge on a viewing on how you may wish to change the layout or simply keep it as it is.

The West facing garden to the rear does require work but it will be a lovely space to enjoy and is not overlooked.

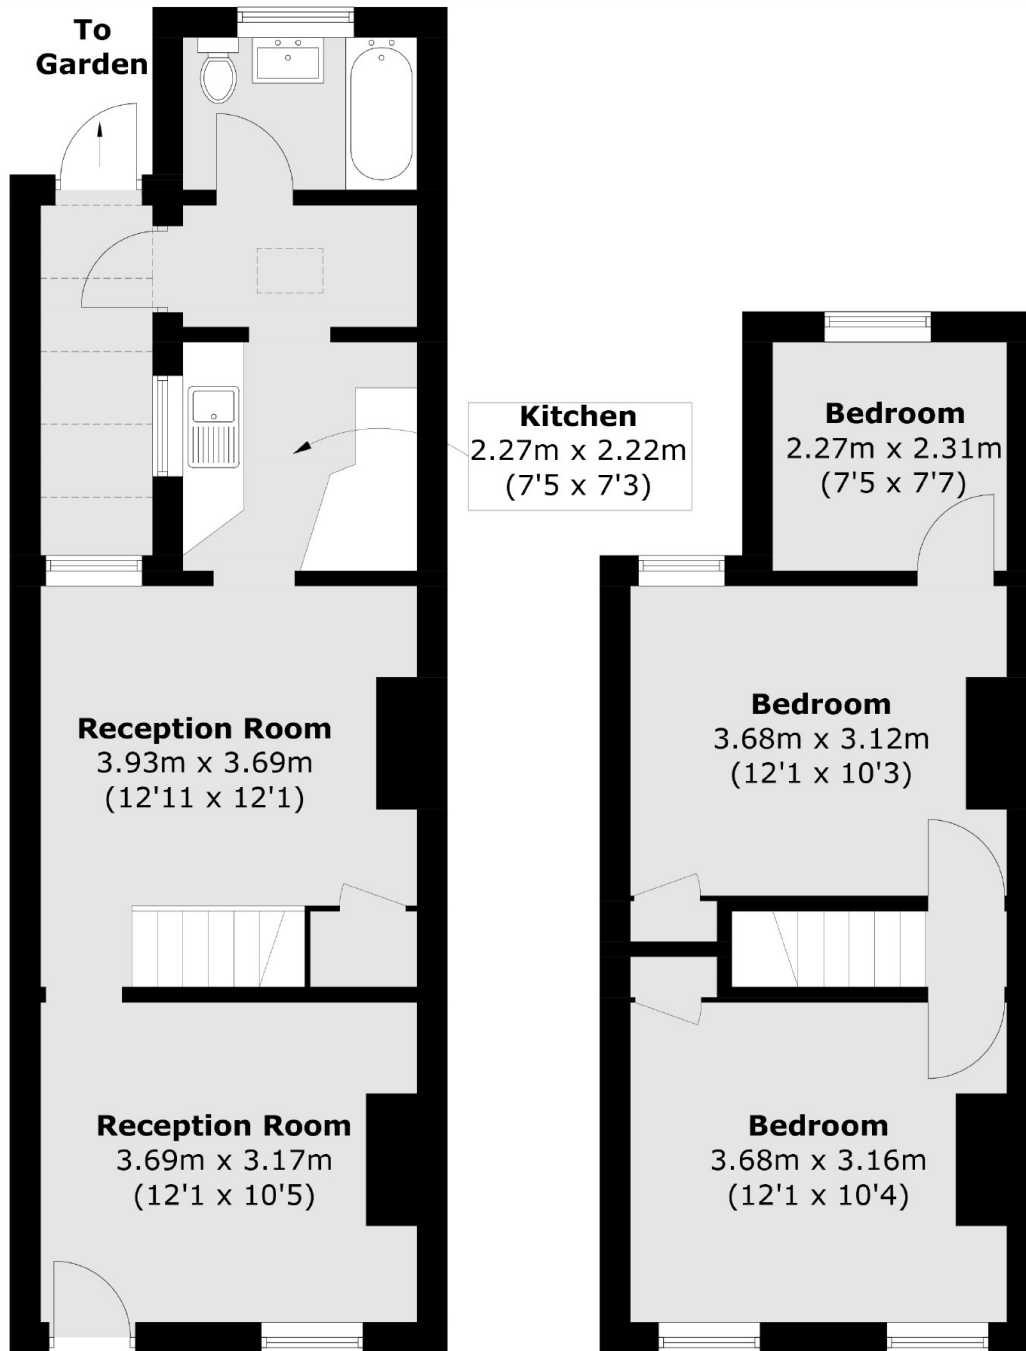

Watts Lane is a direct turning off Teddington High Street. Surrounded by lovely shops and restaurants along with easy access to the River Thames, Royal Bushy Park and Teddington mainline station.
