## Winchendon Road, TW11

This traditional Victorian property is in immaculate order retaining a host of original features throughout. Located in this popular road which is excellent for transport links and school catchment.

The extension to the rear of this property has opened up the rear of the house creating a fantastic open plan kitchen/dining/living area. There is a built in bench and dining table which has been made with the original floorboards from the house prior to its extension. There is an exposed brick wall with 'crittal' doors that open onto the garden. In addition there is a front reception room and cloakroom.

There are three bedrooms to the first floor; two doubles and single bedroom which works well as an office or nursery along with a modern bathroom. There are fitted wardrobes in both the bedrooms. To the top floor there is a further double bedroom with fitted storage and eaves storage. There is a further bathroom. The garden is laid with an artificial lawn and patio area.

Winchendon Road is a turning off Stanley Road. Close to Fulwell and Teddington mainline stations as well as Bushy Park, Teddington and Hampton Hill High Streets along with the River Thames.
