## Coleshill Road, TW11

A superbly presented semi detached family home with period features and high ceilings. The house offers wonderfully spacious accommodation including two separate reception rooms and a large kitchen/family room.

Entering through the long hallway, to the front of the house there is the first reception room that has a bay window with shutters and a feature fireplace. Next the family room can be used to your advantage as a playroom/office space and leads through to the kitchen/dining area. The impressive kitchen is fully integrated with appliances, has a central island, generous storage and extremely spacious making this area perfect for entertaining. The skylights and full width bi-fold doors allow natural light to flood throughout. This also opens up to the secluded garden that is mainly laid to lawn, with mature trees making it extremely private.

On the first floor there are two large double bedrooms, both with fitted wardrobe space, a family bathroom and a further single bedroom. The second floor houses the master bedroom that has an en suite shower room and large eaves storage, plus the fourth bedroom and another family bathroom. Lastly on the third floor is the fifth bedroom, also with eaves storage.

Excellent for transport and Teddington High Street, Coleshill Road is a turning off Hampton Road. At the top of Coleshill Road there is access to Bushy Park where you can run, cycle and enjoy the outdoors.
