Railway Road, TW11

The current space and floor plan works well as a three bedroom home however the scope to be creative and extend this home is exciting.

The ground floor offers two reception rooms, the front with a feature fireplace which then lead through to the kitchen with space for appliances. From here there is a bathroom and access leading onto the garden. There are three bedrooms, one of which has built in wardrobes. There is a lovely rear garden, larger than average which is secluded and well established with a long lawn and patio area.

Subject to planning permission there is scope to open up the ground floor, extending and creating a large kitchen/breakfast dining room along with the potential to the loft.
